

PRODUCT TECHNICAL DATASHEET

B71/BC/EXT

CODE	DESCRIPTION	PCS/PALLET
B71/BC/EXT	Kit for emergency batteries charger for Brushless digital controller 24V DC with plug-in card, with 2 recovery batteries 12V DC, 4.5 Ah. Box case included.	

PRODUCT TECHNICAL SPECIFICATIONS	
Power line supply	16V AC ... 24V AC
Operating temperature	-20°C +55°C
Maximum input power	15W
Lead-acid batteries	2 x 12V DC 4500mAh, connected in series (external B71/B
Nominal charge voltage	27.6 V DC
Minimum self-protection voltage of battery	19.5 V DC
"br" close jumper charge current	400 mA
Product weight packed (Kg)	5.6
